

Appl. No. 10/085,468
Amdt. dated August 20, 2003
Re: Notice of Allowability of July 10, 2003

REMARKS/ARGUMENTS

This Amendment After Allowance Pursuant To 37 C.F.R. 1.312 is being filed in response to the Notice of Allowability that was mailed on July 10, 2003. The amendments presented herein embody merely the correction of formal matters in the claims without changing the scope thereof. More particularly, the amendments presented herein correct errors related to an Examiner's Amendment that was included in the Notice of Allowability.

Three claims are amended herein. Claim 21 is being amended to change a comma to a semi-colon in line 9 (as presented above) of claim 21, to add a comma after "housing" in line 10 (as presented above) of claim 21, and to remove a comma after "indicia" in line 11 (as presented above) of claim 21. Claim 46 is being amended to add "a housing;" as a new line 2 of claim 46; to add a semi-colon at the end of line 13 (as presented above) of claim 46, and to remove a comma after "hand" in line 15 (as presented above) of claim 46. Finally, claim 57 is being amended to add a semi-colon after "information" at the end of line 15 (as presented above) of claim 57, to add a comma after "hand-held" in line 18 (as presented above) of claim 57, and to remove a comma after "hand" in line 18 (as presented above) of claim 57.

The amendments made by the Examiner's Amendment have been included above in the text of claims 21, 46 and 57. The additions made by way of the Examiner's Amendment are not shown in underlined text, however, since those additions were "previously presented" in the Examiner's Amendment and thus are not a current amendment. Consistent with current amendment practice, only text being changed following the entry of the Examiner's Amendment is being indicated herein with underlining or double brackets.

Re: Notice of Allowability of July 10, 2003

The punctuation changes to claims 21, 46 and 57 and the addition of the text "a housing" to claim 46 are being made so that the claims will accurately and clearly reflect the agreement of the undersigned and the examiner at the conclusion of the prior telephonic interview. Further, the text "a housing" is necessary to provide antecedent basis for the "said housing" phrase of lines 14 and 15 (as presented above) of claim 46.

Further, in a telephone conversation conducted on August 11, 2003, the undersigned and the examiner discussed the Examiner's Amendment. In that conversation the examiner agreed that the text "a housing" had been inadvertently omitted from the changes made to claim 46 by the Examiner's Amendment. The examiner suggested that this 37 C.F.R. 1.312 amendment be filed to correct the oversight.

In summary, claims 21-57 remain in this application. No new claims have been added and no claims have been canceled. The changes presented above are being requested so that the claims will clearly and accurately reflect the agreement reached during the July 7, 2003, telephonic interview. No additional search or examination should be required. Thus, entry of these amendments will require no substantial amount of additional work on the part of the Office.

In closing, Applicants respectfully request that the amendments made herein be entered.
